9th September, 2024

TO WHOM IT MAY CONCERN

This is to certify that Brian Hammond was employed with Lifestyle/DLC Rockstars Limited from 16th September 2023 to 17th July, 2024.

Brian served as the Director of Agronomy for PLH (Barbuda) Limited/Barbuda Ocean Club for duration of his employment. This included the upkeep and maintenance of nine completed golf holes, the grow in and establishment of another nine golf holes and in addition multiple club common areas, soccer pitch and the main resteraunt turf area totaling over 300 acres of land.

Brian expertise in organizing new treatments for invasive species, deducation with the oversight of irrigation practices, and planning and versatility in managing a course in a remote location were required where he displayed continued persistence.

I am happy to support his aspirations for future employment.
